Kalle Knitting

108819 thick (1.5 cm rod diameter; for thick wool)

108821 thin (1.2 rod diameter; for thin wool)

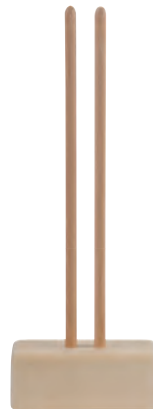

Even beginners can knit this in no time. The fixed knitting needles mean that you can concentrate on creating the mesh. Knitting requires less coordination when you do it this way, and it's faster besides! The knitted part rests on the needles.

063725 Sphere Kaleidoscope Set, 12 ea.

Crafting it, looking through, and being in awe. The special thing about these kaleidoscopes: the sphere can be filled with something else at any time. The children can also experiment with different fillings, such as plant parts, screws or waste fabric. Also a look at the empty sphere is fascinating. The craft set yields 12 kaleidoscopes. Contents: cardboard tubes (length approx. 21 cm), plastic caps, adhesive tape, acrylic spheres (Ø 7 cm), polystyrene mirror, transparent foil, cellular rubber, filling mixes, instructions.
