Bookmarks, 12 ea.

Bookmarks to embroider. It looks complicated but it's not! The filigree patterns are pre-printed: there are simple ones and more complex ones. It's best to prick the holes in advance and then embroider with fine thread. Push the embroidered strips into the slits in a back panel. Tip: knot a nice cord or similar in the tip of the bookmark.

Contents: embroidery strip, stamped and printed, as well as slotted photo card back panels in 2 different blue tones.

Dimensions: W 6 x H 17.5 cm (= size of the back panel).

Birds and Coins, 60 ea.

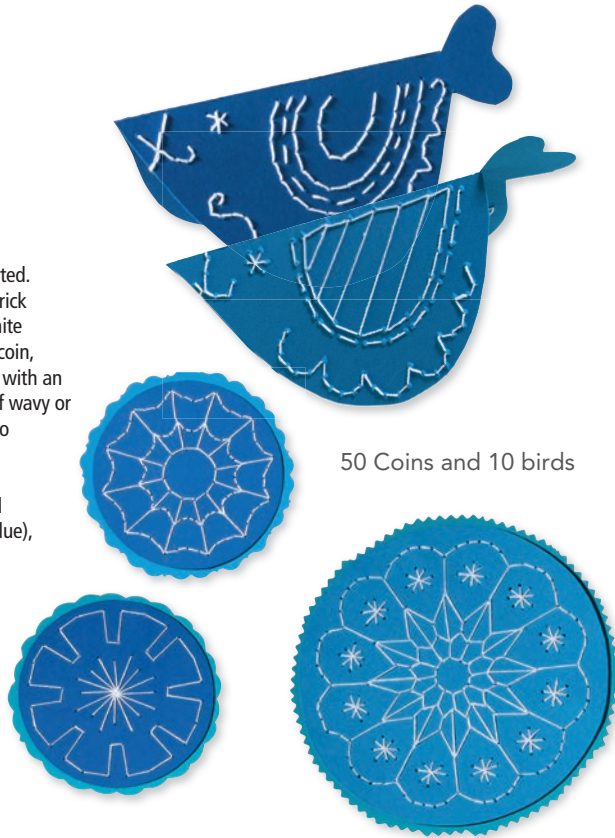

The discs for the birds and coins are pre-printed. After cutting out according to instructions, prick them and then embroider them with fine white thread. Cut a matching back panel for each coin, stick it to the back of the embroidered coins with an adhesive pad and cut the edge with a pair of wavy or zigzag scissors. Stand up the bird or stick it to a skewer for a wand.

Contents: 50 embroidery coins in 3 sizes and 10 photo card decorative birds (blue, royal blue), 50 photo card back panels (blue, royal blue, turquoise), set of instructions.

Dimensions: W 17.5 x H 10 cm.
